Re: Bulk Data Request

Dear Mr. Colbert

Your request, on behalf of The Polis Center, to obtain bulk distribution of non-confidential court records from the Marion County Juvenile Court for 2013 has been approved by the Division of State Court Administration pursuant to Indiana Administrative Rule 9(F), subject to the terms of this letter and the executed User Agreement for Bulk Distribution of Data or Compiled Information, Form TCM-AR9(F)-1.

As explained in the User Agreement, the execution of the agreement and approval by the Division do not create any mandatory obligation on the part of any court or clerk to provide bulk distribution of court records or compiled information. You will need to contact the clerk from all counties not using the Odyssey system to seek distribution of this data. Except as explained in the following two paragraphs, it is up to each court to determine whether or not to provide bulk distribution of its records.

Indiana Administrative Rule 9(F)(2) places authority in the Indiana Supreme Court with respect to records from multiple courts such as those maintained in the Odyssey data repository. By Order dated September 13, 2011, *In the Matter of Bulk Distribution of and Remote Access to Court Records in Electronic Form*, Case No. 94S00-1109-MS-552, the Indiana Supreme Court authorizes bulk distribution of Odyssey records that are not excluded from public access by Administrative Rule 9(G) or (H), and authorizes the Division to review written requests for bulk distribution of Odyssey records and, if appropriate, approve such requests.

You are approved to receive bulk distribution of Odyssey records and the Division will provide bulk distribution of such records to you, subject to the following additional conditions: (1) You must make arrangements for payment for the records in accordance with Administrative Rule 9 and the Supreme Court's Order of September 13, 2011; (2) Your approval is subject to the executed User Agreement for the Use of Bulk Data from Indiana Odyssey Case Management System, and (3) You are prohibited from providing bulk distribution of Odyssey records to any third party.

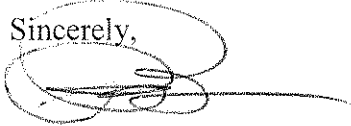

As explained in the User Agreement, the execution of the agreement and approval by the Division do not create any mandatory obligation on the part of any court or clerk to provide bulk distribution of court records or compiled information. You will need to contact the clerk from all counties not using the Odyssey system to seek distribution of this data. Except as explained in the following two paragraphs, it is up to each court to determine whether or not to provide bulk distribution of its records as well as the fair market value of the records.

A distribution receipt form that must be completed and returned to this office within thirty (30) days of receiving bulk distribution or compiled information from court records from courts that do not use Odyssey.

An executed copy of your user agreement, Form TCM-AR9(F)-1, is enclosed. The agreement will expire on January 31, 2015. Please contact the Divisions Trial Court Technology Staff at 317.232.2542 in order to proceed with receipt of your data.

If you have any questions, please contact me at [richard.payne@courts.IN.gov](mailto:richard.payne@courts.IN.gov) or (317) 234-5398.

Sincerely,

## Indiana Supreme Court Division of State Court Administration

### USER AGREEMENT FOR BULK DISTRIBUTION OF DATA OR COMPILED INFORMATION NOT EXCLUDED FROM PUBLIC ACCESS UNDER ADMINISTRATIVE RULE 9

The Indiana Supreme Court through its Division of State Court Administration (“Division”) and The Polis Center of Indiana University-Purdue University Indianapolis (“Requesting Party”) hereby enter into this User Agreement for Bulk Distribution of Data or Compiled Information (“Agreement”) for the purpose of establishing roles and responsibilities associated with the dissemination and use of Indiana court information pursuant to the provisions of Administrative Rule 9 of the Indiana Rules of Court (“Rule 9”).

#### Recitals

- A. Under Administrative Rule 9(F)(2), the Division is responsible for processing all requests for bulk distribution of Data or Compiled Information by Indiana Courts.
- B. The Division reviews each request for bulk distribution to insure that the request is consistent with the purposes of Rule 9 and that each request is an appropriate use of public resources.
- C. The Requesting Party seeks bulk distribution of Data or Compiled Information for its own use and understands that it must comply with the provisions of this Agreement.
- D. The Division requires that the Requesting Party understand and agree to comply with certain restrictions on usage of the Data and Compiled Information.
- E. The Requesting Party is not automatically entitled to the distribution of Data or Compiled Information of a court simply by the approval of this user agreement by the Division.
- F. The Requesting Party may be required to pay an amount which the Court determines is the fair market value of the information requested.
- G. The bulk distribution is limited to court records, even if the Requesting Party is seeking other information that is governed by other agencies’ policies.

#### Agreement

1. **Definitions.** For the purpose of this Agreement, the following definitions shall apply:

terms and conditions contained herein. Execution of this Agreement and approval of the Requesting Party's request by the Division do not create any mandatory obligation on the part of any clerk or Court to provide Court Records to the requesting Party. Under Administrative Rule 9(F), the Courts identified below must determine on an individual basis whether resources are available to transfer the Court Records to the Requesting Party and whether fulfilling the request is an appropriate use of public resources. (1) **Court Records sought:** Marion County record level juvenile justice data for 2013.

(2) **Requested Courts:** Marion County Superior Court (Juvenile Division)

**B. **3. Rights and Interests.** It is the parties' intent that all rights, title and interests, including all intellectual property rights, in and to the Court Records, data, code, application or any other information provided to the Requesting Party shall remain with the Courts. The Requesting Party shall not gain any proprietary right to or interest in any Court Records, data, code, application or any other information provided to the Requesting Party under this Agreement, whether or not the Court's records, data, code, application or other information is incorporated in or integrated with in any way whatsoever with the Requesting Party's property, data, code, reports, application, program, system or any other sort of product. Those rights may not be transferred, assigned, or sold for any purpose to any person, corporation, partnership, association, or organization of any kind. The Requesting Party shall provide the Division with the names of all entities related in any way to the Requesting Party, including subsidiaries and affiliates, the names under which the Requesting Party is doing business and any other related entity names. The Requesting Party shall supplement this agreement within thirty (30) days of a change in the list of names provided to the Division as requested by this Section 3.

**4. Ongoing Data Scrubbing and Update Requirements.** The Requesting Party shall comply fully with Rule 9 and shall delete any Social Security Number, bank account number and any other confidential information that is inadvertently included in the Court Records and take other appropriate action to ensure that such confidential information is not disclosed to others. Upon notice, the Requesting Party shall comply with future orders to scrub data if they should arise.

## **5. Restrictions on Use of Data.**

**A. Compliance With Authorities.** The Requesting Party shall comply with all current and, as subsequently amended, federal and state laws, court rules, administrative rules and policies governing, regulating, and/or relating to Court Records.

**B. Resale of Data.** The Requesting Party shall not reproduce, resell or otherwise distribute the Court Records or Data provided pursuant to this Agreement except in response to an inquiry from an individual for a Court Record or compilations or reports incidental to such individual Case Record as part of a service provided by Requesting Party. The Requesting Party shall not make bulk distribution of the Court Records or reconfigure the Court Records for subsequent bulk distributions.

**C. Policies for dissemination of Data.** The Requesting Party shall not disseminate Court Records to the public through remote electronic access such as the Internet or other electronic method unless the Clerk first obtains approval from the Division under Trial Rule 77(K). In the event the Requesting Party plans to offer a service allowing others to review the Court Records and disseminate information in the Court Records to subscribers, customers, clients, or other third parties, a current copy of the Requesting Party's policies and information related to the dissemination shall be attached hereto as an Exhibit B. The Requesting Party is under an ongoing obligation to provide the Division with a copy of any updated Policy information within thirty (30) days of its modification.
